RANCHO CORDOVA, March 3, 2017 -- Universal Site Services, Inc. has been selected for the 2017 Best of Rancho Cordova Award in the Janitorial Service category by the Rancho Cordova Award Program.

Each year, the Rancho Cordova Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Santa Rosa area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2017 Rancho Cordova Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Rancho Cordova Award Program and data provided by third parties.
